

International Tax

International tax laws are constantly changing. You need a skilled, informed legal team who know what the laws mean for you and your business and can offer sound strategies and advice.

Our team of international tax professionals are creative and experienced. Whether you want to bring your business to Canada or invest outside of Canada – we can help.

We regularly work with Canadian companies setting up shop in other countries, as well as international companies coming to Canada. Clients trust us to advise on many areas of international tax law, including:

- cross-border joint venturing
- transfer pricing
- non-resident withholding tax
- inbound tax structure that best fits their business goals
