Tariffs, Taxes and Trade

With the ongoing talks surrounding trade and tariffs, the members of our [internationally-recognized trade team](#) explain what these changes mean and how a business can best navigate the shifting tides of complex trade laws. From trade concerns to NAFTA predictions to what to do should NAFTA be dissolved, Milos Barutciski and Jesse Goldman of our *Chambers*-ranked trade team provide the clear and concise answers organizations need to make informed decisions. Our trade team focuses exclusively on trade regulation and share their expertise related to disputes, transactions, trade negotiations and other cross-border matters.
