Kasim provides support and advice for corporate commercial and infrastructure projects.

His areas of expertise include:

- advising on corporate governance, procurement and contract matters for infrastructure projects
- providing normal-course business advice

Kasim is conversant in French.

Experience

- Acting for the project sponsor on a number of large public infrastructure projects.
- Drafting, negotiating and completing funding agreements with senior levels of government in large public infrastructure projects.
- Drafting the request for qualifications, request for proposals and the resulting services agreements for sponsor-side service providers, such as architects and engineers, in large public infrastructure projects.
- Drafting the request for qualifications, request for proposals, constructions contracts (including use of CCDC forms and preparing supplementary conditions) and the project agreement for large public infrastructure projects.
- Negotiating and closing the project agreement and numerous related closing agreements and instruments in large public infrastructure projects.

- Preparing and providing briefings to key decision-makers of project sponsors throughout the phases of projects, including in support of internal governance approvals, in large public infrastructure projects.
- Providing on-going advice on project procurement and implementation matters and governance models, in large public infrastructure projects.
- Providing advice on regulatory and third party policies and approvals, in large public infrastructure projects.
- Supporting post-closing matters, including advising on rights, remedies and claims, in large public infrastructure projects.
- Drafting, reviewing and negotiating loan, contribution, guarantee and grant agreements in respect of government procurement and funding programs.
- Drafting the full suite of template project agreement and related agreements used by a Federal Crown Corporation for infrastructure projects.
- Drafting the template funding agreement used by a Federal Crown Corporation for infrastructure projects.
- Drafting the template loan, grant and related agreements used in respect of an environmental fund endowed by the Federal Government.
- Acting for municipalities in Ontario, and elsewhere in Canada.
- Drafting, reviewing and negotiating a wide variety of corporate-commercial and business transaction agreements, such as business formation, partnership, joint venture and other business agreements and arrangements; and service and outsourcing contracts and arrangements.
- Acting on behalf of both vendors and purchasers in numerous merger and acquisition transactions in different industries
- Acting on behalf of both investors and investee-companies in corporate finance matters
