

DRIVEN BY WOMEN™

A BLG INITIATIVE

Borden Ladner Gervais LLP is a strong supporter of the vibrant startup community in Canada and has launched **DRIVEN BY WOMEN**, a BLG initiative tailored to meet the needs of female-led and female-founded companies. We partner with female entrepreneurs who have founded or lead businesses with: (1) a developed business plan, (2) existing funding or annual income, and (3) plans for scaling up.

COMMUNITY BUILDING EVENTS

With more female professionals and partners than any other major law firm in Canada, and a vast network of investors, venture capitalists, government financial advisors, accelerators and consultants, BLG is uniquely positioned to help female entrepreneurs succeed.

Through a series of events, we will share helpful information and foster a supportive and collaborative network where female entrepreneurs can gather to meet, learn and share.
