Reducing Your Risk: Critical Issues In Cross-Border Transportation Law

April 10, 2019
2:00 p.m. - 5:30 p.m. ET

BLG Offices
Canada: Calgary, Montréal, Ottawa, Toronto, Vancouver

Join us for a close-up look at current developments and legal trends impacting the transportation sector today. This update will be delivered by leading professionals at the vanguard of emerging technologies in transportation live via videoconference to all of our offices in Toronto, Montréal, Ottawa, Vancouver and Calgary.

Topics will include:

- Emerging technologies, the changing regulatory framework, and resulting challenges for the rail & intermodal markets— *Andrew Fuller, Assistant Vice President, CN Railway (Guest Speaker)*.
- Cross-Canada and U.S. update — the current state of development of autonomous trucking and regulations in Canada and the U.S.
- Panel: Regulatory, insurance, and employment challenges for the new "Gig and Sharing Economy" — perspectives from counsel from both sides of the border, insurers, and ride-sharing sector — *Linda DeSouza, Director of Automobile and Transportation, Zurich Canada (Guest Speaker)* and *Kelly Kwan, Senior Counsel, Uber Canada (Guest Speaker)*.
- Financing challenges for transportation disrupters — perspectives from transport finance professionals.

We hope you are able to join us.
