CPD Information

B.C. | This course has been accredited for 1.0 hour. Course name: The Role of ESG in Effective Pension Oversight - An International Perspective. Course number: N07092022.

ON | This program is eligible for 1.0 Substantive Hours.

QC | Please note, the concept of "recognition" or "accreditation" has been abolished. By doing this, the Barreau is trying to make it easier for lawyers to claim mandatory CLE credits without a formal accreditation process. It is now up to individual lawyers to determine the eligibility of a training activity and to declare the hours in their "Dossier de formation en ligne".
