Connection details will be provided after registration.

BLG is committed to supporting you with your Continuing Professional Development (CPD) needs. We are pleased to offer ongoing virtual sessions through the year to help you fulfill your 12 hours of required CPD.

Please join us for two very timely, and practical sessions from our BLG team.

First, we will have [Laurie Goldbach](#) presenting on Increased Powers, Increased Risks: the expanding powers of the Canada Revenue Agency. In her presentation she will discuss what the implications are after the 2024 Canadian budget expanded the CRA's audit powers, raising concerns about potential abuse and reduced taxpayer rights. This presentation will look at how new penalties and forced testimony under oath make legal counsel essential for protection.

Following that, we will have [Doug Sanders](#) presenting on Drafting Tips from a Different Perspective. In your career, you have been to plain English and dangerous comma presentations. This presentation will delve into practical drafting. It will also explain the importance of including the capital dome.

We hope you'll be able to join us for these impactful presentations.

Please respond by October 16. If you have any questions about this event, please email [RSVPVancouver@blg.com](mailto:RSVPVancouver@blg.com).
