Victoria is a summer student at BLG's Toronto office for the 2024 summer term.

As a law student, Victoria worked as a caseworker for a community legal clinic, served as an editor for the *Ottawa Law Review*, and participated in a legal advocacy club. Prior to joining BLG, Victoria worked at a prominent criminal defence firm in Hamilton.

Victoria chose to work at BLG after speaking with students about their experiences at the firm and meeting many lawyers throughout the in-firm process. It became clear that BLG's breadth of practice areas, supportive learning environment, and genuine people make it an ideal place to grow as a legal professional.

In Victoria's spare time, you can find her tuning a guitar, paddling a canoe, or devouring a good book.
