Connor formerly summered with BLG Calgary and assisted lawyers on a wide variety of tasks within our Business and Disputes groups.

As a law student, Connor volunteered with Student Legal Services of Edmonton, providing legal assistance in the criminal division. Connor has written articles on international policy surrounding gene editing technologies and Canada's approval process for novel medical treatments. Prior to joining BLG Connor had various roles in construction, and worked as a radio announcer in Red Deer.

Back

Connor chose BLG because of the collective mindset of teamwork and interconnectivity throughout the firm. It is also important to him that BLG has progressive values and a commitment to technology and advancement in the evolving legal profession.

Outside of work Connor enjoys hiking, going to movies and attending concerts.
