Broad Sky completes strategic investment in Frontline Manages Services, a global leader in managed IT for the legal industry

On December 11, 2024, Broad Sky completed the acquisition of Frontline Managed Services, a premier global provider of outsourced solutions serving firms in the legal and professional services sectors. Private equity firm Broad Sky specializes in collaborating with leading middle-market companies that provide essential services to both business and consumer markets.

BLG acted as Canadian counsel to Broad Sky with a team led by <u>Stefan Timms</u> that included <u>Tasy Bacolias</u>, <u>Matteo Grandillo</u> (Corporate), <u>Noah Burshtein</u> (L&E) and <u>Denes Rothschild</u> (Foreign Investment).
