

BLG Advised In The Top Deals And Cases Of 2018

Lexpert highlights BLG's varied expertise, for work in cannabis hostile takeover bid and in constitutional challenge

Toronto (February 20, 2019) — Borden Ladner Gervais LLP (BLG) has been recognized for its role in three of the top 10 deals and top 10 business decisions of 2018, as featured in the February 2019 edition of *Lexpert*. Highlighting the firm's varied expertise, BLG made the list for its involvement in *R. v. Comeau* and for its work with CanniMed Therapeutics in a hostile takeover bid by Aurora Cannabis Inc. – recognized as one of the year's top deals *and* cases.

In *R. v. Comeau*, BLG's [Christopher Bredt](#) and Ewa Krajewska acted as counsel to two interveners on the appeal before the Supreme Court of Canada (SCC), the Canadian Chamber of Commerce and the Canadian Federation of Independent Businesses. The SCC modified the historical legal test for when a provincial law impermissibly restrains trade from one that narrowly prohibited provincial governments from levying tariffs and duties to a more purposive approach against laws whose essence and purpose is to limit trade among the provinces.

BLG was also recognized for its role advising CanniMed Therapeutics in *Re Aurora Cannabis Inc.*, considered the leading case on defensive tactics that a public company can employ when confronted with a hostile takeover bid, and also in the completion of the \$1.23 billion takeover bid.
