Tamila works with a broad range of clients on all aspects of commercial real estate transactions, including development, acquisitions, dispositions, leasing and financing.

She also regularly assists with corporate matters, infrastructure projects and renewable energy projects.

Tamila is a professional engineer, registered with the Association of Professional Engineers of Ontario. Before attending law school, she practised as a structural engineer at one of the world's leading engineering consulting firms.

She was an articling student at BLG before joining the firm as an associate in 2013.

Experience

- Represented Telesat in \$2.54B funding agreement (for its subsidiary, Telesat LEO Inc.) for its broadband satellite constellation
- Major real estate investment trust in connection with its initial public offering, and subsequently in its acquisition, development and management of multiple commercial properties located across Canada
- Canadian public real estate company in its limited partnership arrangements for the development and operation of a unique commercial project in Toronto
- Major real estate developer in connection with \$225 million corporate financing

- Stone Canyon Industries, LLC and its subsidiary BWAY Corporation on real estate matters in connection with its US\$2.3 billion acquisition of Mauser Group N.V.
- Enersource Corporation on real estate matters in connection with its proposed merger with Horizon Utilities Corporation and PowerStream Inc., and the acquisition by the merged entity of Hydro One Brampton Networks Inc. to form a consolidated electricity distributor with an enterprise value in excess of CDN\$3B.
- Various lenders in various types of project and structured finance transactions, including multi-use, condo, shopping centres and other real estate assets
- Multiple domestic and multi-national companies in various industries (including energy, telecommunications and retail) in all aspects of their real estate portfolios
