[Corporate Commercial](#)

Ève Gaudet specializes in **civil litigation**. In addition to her commercial litigation practice, she also focuses on **infrastructure** and **environment**-related issues. She often collaborates with Montréal's **Business** Group, offering advice on infrastructure matters.

She is currently working on a number of major projects in Québec as well as injunction and class action matters involving the *Environment Quality Act*.

Ève regularly pleads before all Québec courts.

Experience

- A class action concerning the soundscape caused by aircraft noise.
- Transportation disputes relating to the construction of the new bridge over the St. Lawrence River and the reconstruction of the Turcot Interchange.
- A lawsuit between shareholders relating to a major real estate project on Mount Royal.
- A dispute over the termination of an agency contract, where the client represented a French wine producer.
- A dispute concerning the temporary contamination of drinking water in the City of Longueuil.
- Injunction proceedings relating to the theft of compilations of statistical data belonging to an international company.
- Commercial disputes regarding the disappearance of goods during their carriage by land and air.
- Injunction proceedings for the reinstatement of a member of a professional association.

- Accompanying the victim's family during the trial of the case of *The Queen v. Luka Rocco Magnotta*.
