

Banking & Financial Services

Fulfilling your banking & financing needs in the global economy can be challenging. You need a legal partner who understands the complexity of lending and financing in Canadian and cross-border transactions.

We find business-focused solutions to help you structure a lending transaction, or negotiate governmental, corporate, commercial or project financings. Clients depend on us for corporate and commercial loans, bilateral and syndicated loans, securitizations, structured finance, derivatives, and leasing arrangements to help move their businesses to the next level across the country and around the world.

We can also:

- address insolvency matters for creditors, borrowers, receivers, trustees in bankruptcy, and monitors
- establish electronic banking and e-commerce electronic banking, payments, debit and credit card products, and financial instruments

As Canada's law firm, we pride ourselves in advising all of the nation's largest banks as well as U.S. and other foreign financial institutions, and Canadian and foreign borrowers. We serve many other leading financial institutions including Schedule I, II and III banks, insurance companies, credit unions, pension and other funds. Banks, trust companies, private and public funds, and credit unions count on our guidance for all regulatory matters – including forming and establishing entities in Canada.
