

DODD FRANK REGULATION SYMPOSIUM: *NEXT GENERATION DERIVATIVES TRADING*

Announcing an afternoon program presented by a distinguished panel analyzing the next generation of derivatives trading on the **Bloomberg Swap Execution Facility**.

This complimentary, live presentation and demo includes a stage-by-stage walk-through of each step in the life cycle of a cleared derivative and an analysis of the key legal, business and technology issues along the way.

Agenda

- I. Introduction: the Life Cycle of a Cleared Trade
- II. Live Demonstration of the Bloomberg Swap Execution Facility
- III. Post Execution Regulation
- IV. Discussion of market participation, trends, etc.
- V. Panel Discussion: Analysis of the key business and legal issues at each stage of the life cycle
- VI. Final Remarks and panel Q&A
