Commercialisation of Health Care: Jurisdictional Comparisons

November 27, 2013

*Commercialisation of Health Care: Jurisdictional Comparisons* — First edition 2013, a Thomson-Reuters publication (Jeffrey S. Graham, Co-General Editor with Jeffrey N. Gibbs of Hyman, Phelps & McNamara; Publisher – Sweet & Maxwell, part of Thomson-Reuters Professional UK Limited).

**Description:** There is a continuous globalization of the commercial and regulatory aspects of pharma / biotech, medical device and natural health products. As a result, there is an increasing demand for knowledge about how health care products are regulated in leading markets. This new book is designed to meet this demand by providing a single reference for clients and advisers involved with commercialization of health care products.
