EXECUTIVE SUMMARY

Jolie Cheung is a member of the Corporate Commercial Group at the Toronto office of Borden Ladner Gervais LLP. Jolie focuses on technology law, and advises clients on information technology, health informatics and privacy and data protection with precise and practical solutions. Jolie routinely advises clients in the private and public sectors including, health, education, energy and consumer products on IT, privacy and commercial agreements.

Jolie was both a summer student and an articling student at Borden Ladner Gervais LLP before joining the Firm as an associate in 2013.

Prior to her career as a lawyer, Jolie was an x-ray technologist and software administrator in a Greater Toronto Area hospital.

REPRESENTATIVE WORK

- Regularly involved in negotiations and advising Ontario hospitals and healthcare institutions on outsourcing, procurement and technology matters, including on multi-institutional collaboration agreements, vendor agreements and funding agreements.
- Represents and advises a leading food manufacturer with respect to the management, operation and support and maintenance of a supply chain automation system.
- Regularly involved in advising clients in the education and energy sector on the preparation and negotiation of various software, hardware and technology related agreements.
- Regularly involved in advising municipalities in Ontario regarding technology related transactions.

ABOUT BORDEN LADNER GERVAIS LLP

Borden Ladner Gervais LLP (BLG) is a leading, national, full-service Canadian law firm focusing on business law, commercial litigation and arbitration, and intellectual property

solutions for our clients. BLG is one of the country's largest law firms with more than 700 lawyers, intellectual property agents and other professionals in five cities across Canada. We assist clients with their legal needs, from major litigation to financing to trademark and patent registration.
